Quilting the Top

6. Layer the top, batting and backing together and quilt as desired. The sample was stippled with a medium stipple in the borders and a small stipple around the dolls.

7. Trim the batting and backing to the edges of the quilt top.

8. Before binding the quilt, sew rickrack to top, bottom and side edges of quilt letting the outer edge of the rickrack fall slightly over the edge of the quilt.

9. Trim the rickrack even with edges of quilt.

10. Sew the six 2 1/4" x 42" Lena-C8347 Blue strips together end to end with 45° seams to make the binding. Fold this long strip in half lengthwise with wrong sides together.

11. Pin the binding to the front of the quilt, matching raw edges and mitering around the corners. Stitch the binding to the quilt.

12. Fold the binding over the raw edges to the back of the quilt and hand stitch in place.

Making the Pockets

Preparing the Clothes

21. Press fusible web to the wrong side of the doll clothes strips.

22. Fuse the Doll Clothes strips to a piece of thin *cotton* batting. This will allow the dresses to cling to the dolls on the quilt.

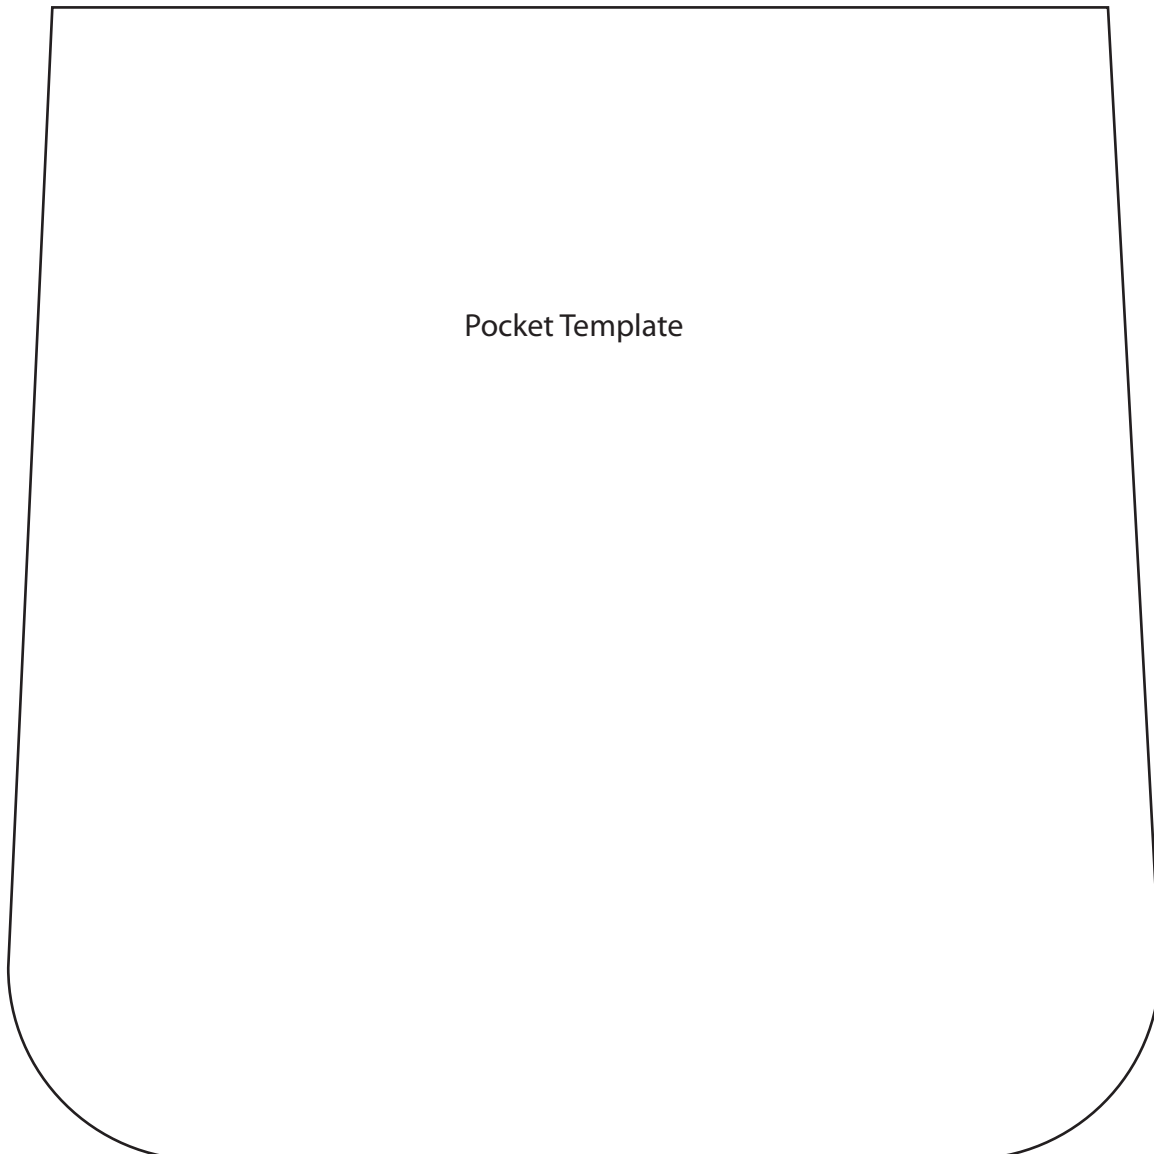

23. Cut out each dress along the printed lines. The dresses can be stored in the pockets on the quilt!
